

Best practices and future challenges in remanufacturing

PRELIMINARY PROGRAM

15th of March 2016 at University of Grenoble Alpes,
Grenoble FRANCE

12:00 – 13:00	Registration and Business lunch
13:00 – 13:15	Welcome speech
13:15 – 13:45	G-SCOP's research work on remanufacturing <i>Université Grenoble Alpes – Peggy Zwolinski</i>
13:45 – 14:00	Remanufacturing in France : Challenges and practices <i>Remanufacturing.fr – Régis Dando</i>
14:00 – 15:00	Introduction to the ERN project - Presentation of market study results : the remanufacturing industry in Europe <i>Oakdene Hollins Ltd.</i> - Design for remanufacturing approaches in Europe <i>Delft University of Technology</i> - Best practices in remanufacturing processes <i>Fraunhofer Project Group Process Innovation – Steffen Butzer</i> - How to integrate remanufacturing in companies through new business models <i>Linköping University – Erik Sundin</i>
15:00 – 15:30	Coffee Break
15:30 – 17:00	Industrial feedbacks <i>At least 3 companies will present successful remanufacturing businesses</i>
17:00 – 17:30	Coffee Break
17:30 – 18:30	Round tables : Best practices and future challenges in remanufacturing
18:30 – 19:00	Podium discussion with all speakers
19:30 – 22:00	Networking dinner

Contact for registration:

Valérie Rocchi
46 av. Félix Viallet – 38031 GRENOBLE FRANCE
e-mail: valerie.rocchi@grenoble-inp.fr

**NO REGISTRATION
FEES**

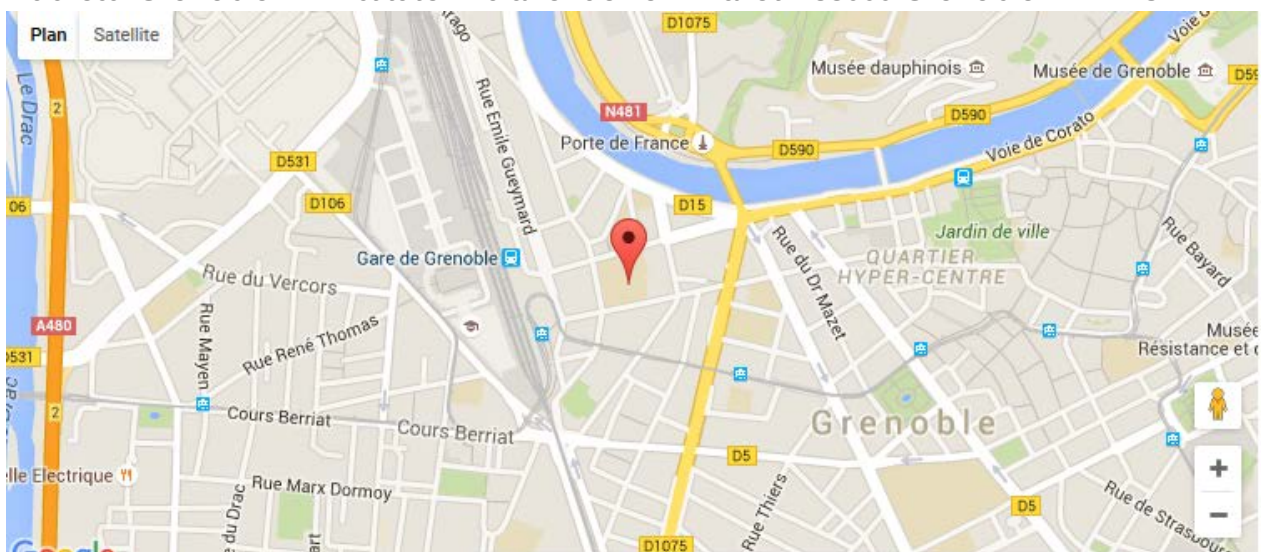

Organizer

Peggy ZWOLINSKI is professor in engineering design and eco-design at G-SCOP Laboratory (University of Grenoble Alpes, France). Her scientific interests are eco-design of products, design for remanufacturing, end of life disassembly, environmental evaluation of closed loop end of life strategies (remanufacturing, recycling, and reuse) and Product Service System design.

Location

Address: Grenoble INP Institute - 46 avenue Félix Viallet – 38000 Grenoble - FRANCE

How to come

By plane:

- Lyon's airport: 1 hour from Grenoble (about 100Km)
<http://www.lyonaeroports.com/en/>
- Genève's airport: 1.5 hour from Grenoble (about 150Km)
<http://www.gva.ch/en/DesktopDefault.aspx>
- Shuttle Lyon-Grenoble:
http://www.faurevercors.fr/UK/PAGE_NAVETTE_AEROPORT.awp Book on line
- Shuttle Genève-Grenoble: <http://www.aerocar.fr/en/> Book on line

By train:

- Paris-Grenoble: 3 hours by TGV
- The railway station is at five minutes walking from Grenoble INP.

By road:

A41 – Chambéry (46 km), Annecy (100 km), Genève (144 km)

A48 – Lyon (105 km), Paris (566 km) A49 – Valence (99 km)

Hotels

Here are some hotels and residences located near Grenoble INP Institute:

Two minutes walking:

- Hotel IBIS, 27 quai Claude Bernard 38000 Grenoble
- Hotel Suisse Bordeaux, 6 place de la gare, 38000 Grenoble
- Hotel des Alpes: 45, Avenue Félix Viallet, 38000 Grenoble
- Hotel de l'Institut: 10 rue Louis Barbillon, 38000 Grenoble
- Hotel Terminus: 10, place de la Gare, 38000 Grenoble
- ResidHotel – Le Central'Gare: 8, Place de la Gare, 38000 Grenoble. At this location apartment residences are available for small groups of people who prefer to stay together.

Ten minutes walking

- ResidHotel – Grenette: 12, Rue de la Palanka, 38000 Grenoble. Eight minutes walking to INP Félix Viallet Site.
- Les Citadines Apart hotel: 9-11, rue de Strasbourg 38000 Grenoble, France
